OUR STORY

Founded in 2005 in Paris, the fashion capital of the world, a designer who loved color dared to inject imagination into luggage, bags and the world of travel. In his new brand, the element of surprise was essential. First, the vibrant and pop colors, creating desire and changing with the time. Next, his designs are inspired by “Haute Couture”, so people can choose their bag and luggage in the same way they choose clothing. For materials, his use of silky twill nylon and shiny precious vinyl creates an irresistible desire to touch. The brand opened boutiques at prestigious Paris addresses: Opéra, Saint-Germain-des-Prés, la Tour Eiffel. In these shops, you can give into the temptation to look and touch, while the transparency and simplicity of displays let color express itself to the fullest. It is a place where sales advisors emphasize fashion and style, beyond the product’s convenience and lightness. Lipault successfully uses color as a source of inspiration and fashion as a vast field of expression. This is what makes Lipault one of the most desired bag and luggage brands.

NOTRE HISTOIRE

Il y a 10 ans, à Paris, la capitale de la mode, un designer amoureux de la couleur osa introduire de la fantaisie dans des bagages, des sacs et plus généralement le monde du voyage. Il créa ainsi une marque surprenante par bien des aspects. Les couleurs : pop et vibrantes, elles suscitent le désir et évoluent avec les saisons. Puis, le design : inspiré par la Haute Couture et l’univers de la Mode. Enfin, les matières : nylon soyeux et vinyle invitent à la découverte. Hommes et femmes peuvent désormais changer de sac et de bagage comme ils changent de vêtement. La marque installe ses boutiques dans les quartiers les plus prestigieux de Paris : Opéra, Saint-Germain-des-Prés et la Tour Eiffel. Des boutiques où l’on est tenté de regarder et de toucher, grâce à la transparence des vitrines, véritables écrins pour les couleurs. Des lieux où le personnel donne des conseils de mode et de style, au-delà des caractéristiques de praticité et de légèreté. La couleur comme source d’inspiration et la mode comme champ d’expression, c’est ce qui fait de Lipault l’une des marques de sacs et de bagages les plus séduisantes aujourd’hui.
